All Home Building India's Interior Design Powerhouse

All Home is a first-of-its-kind collective of businesses dedicated to transforming India's fragmented home improvement and interior design sector.

At its core, All Home is building an **integrated home solutions ecosystem**: a one-stop destination that offers consumers and professionals:

Access to **innovative, high-quality** products at competitive prices.

A **unified experience** across brands, touchpoints, and service layers.

An **efficient, tech-enabled** approach to home design, execution, and support.

Design **simplified**. Brands **empowered**. Homes **transformed**.

The All Home Team

Founders of India's largest health tech company API
(PharmEasy and Thyrocare)

Siddharth Shah

Driving vision and growth through strategic leadership and capital partnerships.

Dhaval Shah

Fueling brand, growth, and financial excellence to scale sustainably.

Dharmil Sheth

Building scalable systems and efficient supply chains to deliver seamless execution.

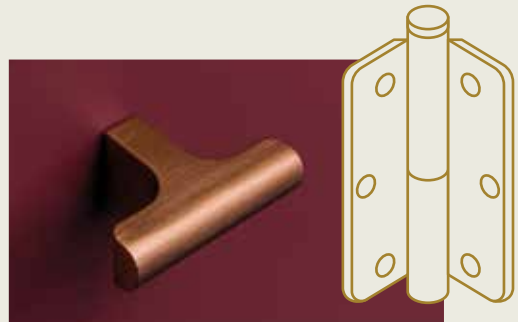

Hardik Dedhia

Engineering innovative technology solutions that power the future of interiors.

One Collective, Multiple Experts...

Colour Coats is a premier surface coating solutions provider, specializing in high-end Italian- grade wood coatings, wall paints, and textured finishes. Ensuring pure craftsmanship and attention to detail.

Fiamarc is the destination of premium architectural and furniture hardware solutions from the best European brands, offering high-quality, modern products.

Metalia is the first dedicated design-led metal façade brand in India, redefining architectural skylines with bespoke envelope solutions that merge design innovation with engineering and precision.

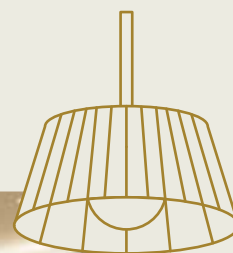

The Window Factory is a high-end window manufacturer committed to the highest standards of quality, precision and craftsmanship, ensuring exceptional performance and design excellence.

Shapes is an Indian hardware and furniture fittings brand founded in 1992. With design-led engineering, refined finishes and seamless integration into modern interiors.

House of Waterways is a leading player in luxury bathware, specializing in high-end bathroom fixtures & accessories, offering a curated portfolio of globally renowned brands.

Ledlum creates premium architectural lighting and design-forward fans rooted in thoughtful innovation and timeless designs, elevating luxury residential, commercial and hospitality spaces across India.
